Recalling also its resolution 2017/30 of 25 July 2017,

Recalling the International Covenant on Civil and Political Rights,[3] the International Covenant on Economic, Social and Cultural Rights[3] and the Convention on the Rights of the Child,[4] and affirming that these human rights instruments are applicable and must be respected in the Occupied Palestinian Territory, including East Jerusalem, as well as in the occupied Syrian Golan,

Noting with concern that more than 70 years have passed since the adoption of General Assembly resolution 181 (II) of 29 November 1947 and 51 years since the occupation of Palestinian territory, including East Jerusalem, in 1967,

Taking note, in this regard, of Palestine's accession to several human rights treaties and the core humanitarian law conventions as well as other international treaties,

Taking note also of General Assembly resolution 67/19 of 29 November 2012,

Stressing the urgency of achieving without delay an end to the Israeli occupation that began in 1967 and a just, lasting and comprehensive peace settlement on all tracks on the basis of Security Council resolutions 242 (1967), 338 (1973), 425 (1978) of 19 March 1978, 1397 (2002) of 12 March 2002, 1515 (2003) of 19 November 2003, 1544 (2004) of 19 May 2004, 1850 (2008) of 16 December 2008 and 2334 (2016), the principle of land for peace, the Arab Peace Initiative[5] and the Quartet road map,[6] as well as compliance with the agreements reached between the Government of Israel and the Palestine Liberation Organization, the representative of the Palestinian people,

Reaffirming the principle of the permanent sovereignty of peoples under foreign occupation over their natural resources, and expressing concern in that regard about the exploitation, endangerment and depletion of natural resources by Israel, the occupying Power, and Israeli settlers in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, particularly as a result of settlement activities, which are illegal under international law and which, deplorably, continued during the reporting period,

Convinced that the Israeli occupation has gravely impeded the efforts to achieve environmentally sustainable development and a sound economic environment in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, and expressing grave concern about the consequent deterioration of economic and living conditions,

Expressing alarm, in this regard, about the extremely high levels of unemployment in the Gaza Strip in particular, which remains at over 40 per cent, with youth unemployment reaching 60 per cent, exacerbated by the prolonged Israeli closures and severe economic and movement restrictions that in effect amount to a blockade, and the continuing negative repercussions of the military operations in the Gaza Strip on economic and social infrastructure and living conditions,

Commending, despite the many constraints, including the obstacles imposed by the ongoing Israeli occupation, the efforts of the Palestinian Government to improve the economic and social situation in the Occupied Palestinian Territory, especially in the areas of governance, the rule of law and human rights, livelihoods and productive sectors, education and culture, health, social protection, infrastructure and water,

Stressing the importance of the United Nations Development Assistance Framework, which aims, inter alia, at enhancing development support and assistance to the Palestinian people and strengthening institutional capacity in line with Palestinian national priorities,

Gravely concerned about the accelerated construction of settlements and implementation of other related measures by Israel in the Occupied Palestinian Territory, particularly in and around occupied East Jerusalem, as well as in the occupied Syrian Golan, in violation of international humanitarian law and relevant United Nations resolutions, and stressing that such illegal measures are main sources of other Israeli violations and discriminatory policies,

Encouraging all States and international organizations to continue to actively pursue policies to ensure respect for their obligations under international law with regard to all illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, particularly Israeli settlements,

Taking note of the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,[7]

Expressing deep concern about the rising incidence of violence, harassment, provocation, vandalism and incitement in the Occupied Palestinian Territory, including East Jerusalem, in particular by illegal armed Israeli settlers against Palestinian civilians, including children, and their properties, including homes, historic and religious sites and agricultural lands, and calling for accountability for the illegal actions perpetrated in this regard,

Gravely concerned by the serious repercussions on the economic and social conditions of the Palestinian people caused by Israel's construction of the wall and its associated regime inside the Occupied Palestinian Territory, including in and around East Jerusalem, and the resulting violation of their economic and social rights, including the rights to work, to health, to education, to property, to an adequate standard of living and to freedom of access and movement,

Recalling, in that regard, the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory,[8] and General Assembly resolution ES-10/15, and stressing the need to comply with the obligations mentioned therein,

Deploring all loss of innocent civilian life and injury to scores of civilians, and calling upon all parties to fully respect international law, including humanitarian and human rights law, including for the protection of civilian life, as well as for the promotion of human security, the de-escalation of the situation, the exercise of restraint, including from provocative actions and rhetoric, and the establishment of a stable environment conducive to the pursuit of peace,

Expressing grave concern at the extensive destruction by Israel, the occupying Power, of properties, including the increased demolition of homes, economic institutions, historical landmarks, agricultural lands and orchards, in the Occupied Palestinian Territory, including East Jerusalem, in particular in connection with its construction of settlements and the wall and confiscation of land, contrary to international law, in the Occupied Palestinian Territory, including in and around East Jerusalem,

Expressing grave concern also over the continuing forced displacement and dispossession of Palestinian civilians, including the Bedouin community, due to the continuing and intensifying policy of home demolitions, evictions and revocation of residency rights in and around occupied East Jerusalem, as well as measures to further isolate the city from its natural Palestinian environs, which have seriously exacerbated the already critical socioeconomic situation being faced by the Palestinian population,

Expressing grave concern further about ongoing Israeli military operations and policies of closures and severe restrictions on the movement of persons and goods, the imposition of crossing closures, checkpoints and a permit regime throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socioeconomic situation of the Palestinian people, in particular the Palestine refugee population, which remains that of a humanitarian crisis,

Expressing grave concern, in particular, over the continuing crisis in the Gaza Strip as a result of the prolonged Israeli closures and severe economic and movement restrictions that in effect amount to a blockade, stressing that the situation is unsustainable, as reflected in numerous reports, including the report of 26 August 2016 of the United Nations country team, entitled "Gaza: two years after", and calling in that regard for the full implementation of Security Council resolution 1860 (2009) of 8 January 2009 with a view to ensuring the full opening of the border crossings for the sustained and regular movement of persons and goods, including humanitarian aid, commercial flows and construction materials, and emphasizing the need for security for all civilian populations,

Deploring the conflict in and around the Gaza Strip in July and August 2014 and the civilian casualties caused, including the killing of and injury to thousands of Palestinian civilians, including children, women and the elderly, as well as the widespread destruction of or damage to thousands of homes and vital civilian infrastructure, including schools, hospitals, water, sanitation and electricity networks, economic, industrial and agricultural properties, public institutions, religious sites and United Nations schools and facilities, as well as the internal displacement of hundreds of thousands of civilians, and any violations of international law, including humanitarian and human rights law, in this regard,

Gravely concerned about the consequent prolonged and extensive negative impact of the military operations of July and August 2014, as well as the military operations between December 2008 and January 2009 and of November 2012, on economic conditions, the provision of social services and the social, humanitarian and physical living conditions of the Palestinian civilian population, including the Palestine refugee population,

Recalling, in that regard, the relevant United Nations reports, including those of the Economic and Social Council, the Economic and Social Commission for Western Asia and the Human Rights Council,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the hampering of the reconstruction process, by Israel, the occupying Power, on the socioeconomic and humanitarian conditions of the Palestinian civilian population in the Gaza Strip, where the humanitarian crisis continues to deepen, and calling in that regard for the immediate acceleration and fulfilment of the reconstruction process in the Gaza Strip with the assistance of the donor countries, including the disbursement of funds pledged at the Cairo International Conference on Palestine: Reconstructing Gaza, held on 12 October 2014,

Gravely concerned about various reports of the United Nations and specialized agencies regarding the substantial aid dependency caused by prolonged border closures, inordinate rates of unemployment, widespread poverty and severe

humanitarian hardships, including food insecurity and rising health-related problems, including high levels of malnutrition, among the Palestinian people, especially children, in the Occupied Palestinian Territory, including East Jerusalem,

Expressing grave concern at the deaths of and injuries caused to civilians, including children, women and peaceful demonstrators, and emphasizing that the Palestinian civilian population must be protected in accordance with international humanitarian law,

Emphasizing the importance of the safety and well-being of all civilians, and calling for the cessation of all acts of violence, including all acts of terror, provocation, incitement and destruction, and all firing of rockets,

Expressing deep concern that thousands of Palestinians, including many children and women, continue to be held in Israeli prisons or detention centres under harsh conditions, including unhygienic conditions, solitary confinement, excessive use of administrative detention, including of children, lack of proper medical care and widespread medical neglect, including for ill prisoners, with the risk of fatal consequences, and denial of family visits and of due process, that impair their well-being, and expressing deep concern also about any ill-treatment and harassment of Palestinian prisoners and detainees and all reports of torture,

Conscious of the urgent need for the reconstruction and development of the economic and social infrastructure of the Occupied Palestinian Territory, including East Jerusalem, as well as the urgent need to address the humanitarian crisis facing the Palestinian people, including by ensuring the unimpeded provision of humanitarian assistance and the sustained and regular flow of persons and goods into and out of the Gaza Strip,

Recognizing the efforts being undertaken by the Palestinian Government, with international support, to reform, develop and strengthen its institutions and infrastructure, emphasizing the need to preserve and further develop Palestinian institutions and infrastructure, despite the obstacles presented by the ongoing Israeli occupation, and commending in this regard the ongoing efforts to develop the institutions of an independent Palestinian State, including through the implementation of the Palestinian National Policy Agenda: National Priorities, Policies and Policy Interventions (2017–2022),

Expressing concern about the risks posed to the significant achievements made, as confirmed by the positive assessments made by international institutions regarding readiness for statehood, including by the World Bank, the International Monetary Fund, the United Nations and the Ad Hoc Liaison Committee for the Coordination of the International Assistance to Palestinians, owing to the negative impact of ongoing instability and the financial crisis being faced by the Palestinian Government and the continued absence of a credible political horizon,

Commending, in that regard, the important work being done by the United Nations, the specialized agencies and the donor community in support of the economic and social development of the Palestinian people in line with their national development and State-building plan, as well as the vital assistance being provided in the humanitarian field,

Affirming the need to support the Palestinian Government of national consensus in its assumption of full government responsibilities in both the West Bank and the Gaza Strip, in all fields, as well as through its presence at Gaza's crossing points, and Palestinian national reconciliation, and emphasizing the need for the respect and preservation of the territorial integrity and unity of the Occupied Palestinian Territory, including East Jerusalem,

Calling upon both parties to fulfil their obligations under the road map in cooperation with the Quartet,

Aware that development and fostering healthy economic, social and environmental conditions are difficult under occupation and best promoted in circumstances of peace and stability,

1. *Calls for* the full opening of the border crossings of the Gaza Strip, in line with Security Council resolution 1860 (2009) to ensure humanitarian access as well as the sustained and regular flow of persons and goods and the lifting of all movement restrictions imposed on the Palestinian people, including those restrictions arising from ongoing Israeli military operations and the multilayered closure system, and for other urgent measures to be taken to alleviate the serious humanitarian situation in the Occupied Palestinian Territory, which is dire in the Gaza Strip, and also calls for compliance by Israel, the occupying Power, with all of its legal obligations under international humanitarian law and United Nations resolutions in that regard;

4. *Demands* that Israel comply with the Protocol on Economic Relations between the Government of Israel and the Palestine Liberation Organization signed in Paris on 29 April 1994;[9]

5. *Calls upon* Israel to restore and replace civilian properties, vital infrastructure, agricultural lands and government institutions that have been damaged or destroyed as a result of its military operations in the Occupied Palestinian Territory;

6. *Reiterates* the call for the full implementation of the Agreement on Movement and Access of 15 November 2005, particularly the urgent and uninterrupted reopening of all crossings into the Gaza Strip, which is crucial to ensuring the passage of foodstuffs and essential supplies, including construction materials and adequate fuel supplies, as well as to ensuring the unhindered access of the United Nations and related agencies and regular commercial flows necessary for economic recovery to and within the Occupied Palestinian Territory, and emphasizes the need for security for all civilian populations;

7. *Calls upon* all parties to respect the rules of international humanitarian law and to refrain from violence against the civilian population, in accordance with the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949;[2]

Occupied Palestinian Territory, including East Jerusalem, as well as in the occupied Syrian Golan, and to prevent Israeli settlers from perpetrating such illegal activities;

10. *Also calls upon* Israel, the occupying Power, to end immediately its exploitation of natural resources, including water and mining resources, and to cease the dumping of all kinds of waste materials in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, which gravely threaten their natural resources, namely, the water, land and energy resources, and present a serious environmental hazard and health threat to the civilian populations, and also calls upon Israel, the occupying Power, to remove all obstacles that obstruct the implementation of critical environmental projects, including the sewage treatment plants in the Gaza Strip, notably the provision of the electric power needed for the work of the northern Gaza emergency sewage treatment plant, and stresses in this regard the urgency of the reconstruction and development of water infrastructure, including the desalination facility project for the Gaza Strip;

11. *Calls for* the assistance necessary for the safe removal of all unexploded ordnance in the Gaza Strip, which endangers Palestinian lives and negatively impacts the environment, as well as reconstruction and development efforts, and welcomes the efforts exerted by the Mine Action Service of the United Nations to date;

15. *Reaffirms* that Israel's ongoing construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, is contrary to international law and is isolating East Jerusalem, fragmenting the West Bank and seriously debilitating the economic and social development of the Palestinian people, and calls in that regard for full compliance with the legal obligations mentioned in the 9 July 2004 advisory opinion of the International Court of Justice[8] and in General Assembly resolution ES-10/15 and subsequent relevant resolutions;

16. *Calls upon* Israel to comply with the provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War and to facilitate visits of the Syrian citizens of the occupied Syrian Golan whose family members reside in their mother homeland, the Syrian Arab Republic, via the Qunaytirah entrance;

21. *Requests* the Secretary-General to submit to the General Assembly at its seventy-third session, through the Economic and Social Council, a report on the implementation of the present resolution and to continue to include in the report of the United Nations Special Coordinator an update on the living conditions of the Palestinian people, in collaboration with relevant United Nations agencies;
